Narrative		
<p>The Senior High Emergency Response Team (SHERT), in collaboration with the Bureau of Fire Protection-Bayombong (BFP), conducted an extension activity entitled Fire Safety and Basic First Aid on April 20, 2024, at Barangay Ipil Cuneg, Bayombong, Nueva Vizcaya. The purpose of this activity is to equip the residents of the community with knowledge and educate the youth, barangay health workers, teachers, and barangay officials on basic first aid for common emergencies, bandaging techniques, and basic firefighting.</p> <p>The extensionists, together with the resource speakers, accomplished the following:</p> <ol style="list-style-type: none">1. Equipping the residents with the knowledge of basic firefighting.2. Providing the residents with the knowledge of basic first aid on common emergencies and bandaging techniques.3. And imparting knowledge about the extreme heat index and its possible effects. <p>Moreover, there were also challenges that the extensionists encountered, such as teaching with diverse age groups and the availability of the people living there, since they have prior activities to do. The lack of maybe information dissemination leads to fewer than the expected number of participants attending the said activity.</p> <p>Furthermore, there were two (2) resource speakers from the BFP, namely, FO1 Cyril Camarao and FO1 Altria Christmae Eballar; and twelve (12) extensionists, including eight (8) SHERT officers, two (2) SHERT members, and two (2) coordinators. Pursuant to this, there were two (2) SHERT members who donated triangular bandages and bandaids. Additionally, there were a total of fifty-nine (59) total recipients of the said activity. Lastly, the total expenditure was Php 8,523.00, which consists of accommodations, transportation, donations for the community and others. The donations was from the SHERT Adviser, Officers and members.</p>
